Atty. Docket No. 2032

To: Commissioner for Patents

TERMINAL DISCLAIMER

David Potts, applicant, hereby disclaims the terminal part of any patent granted on the above referenced patent application which would extend beyond the expiration date of U.S. Pat. No. 6,485,647. Potts agrees that any patent issuing on said application shall be enforceable only for a during such period that the legal title to said patent shall be the same as the legal title to said U.S. Patent No. 6,485,647, this agreement to run with any patent granted on the above referenced patent application and to be binding upon the grantee, its successors and assigns.

In making the above disclaimer, Potts does not disclaim any terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 USC 154 to 157 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that the prior patent later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a re-examination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

David Potts represents that he is the owner of the entire right, title and interest in and to the above referenced patent application.

Respectfully submitted,
DAVID A. POTTS
